Welcome

I'm so glad you've found your way here. I'm a relaxed, story telling wedding photographer who loves capturing real moments as they naturally unfold. Your wedding day isn't a photoshoot. It's a celebration full of emotion, connection, and tiny details that deserve to be remembered.

My approach is simple. I blend into the day, follow the energy, and document everything from the loud laughter to the quiet in between moments. No forced poses, no stiff smiles, just honest, beautiful memories of you and the people you love.

I can't wait to get to know you and hear all about your plans. Lets create something genuine together.

Our Philosophy

Your wedding day is a collection of stories, big and small. And, my job is to preserve them in the most authentic way possible.

I work with a calm, laid back presence so you can relax, enjoy your day, and forget the camera is even there. I focus on capturing candid moments, natural portraits, and meaningful details that make your wedding uniquely yours. From the way your partner looks at you during the ceremony to the moment of your dress, the laughter during speeches, and the hands you hold throughout the day. I'm there for all of it.

I believe the best photos come from real emotions, genuine connection, and the freedom to simply be yourselves. My storytelling approach ensures your gallery feels honest, heartfelt, and true to the atmosphere of your day.

If that's what you're looking for, we're a great match.

A wedding story i'll never forget...

Their day was filled with soft light, spontaneous laughter, and the kind of moments that unfold naturally when no one feels the need to perform for the camera. From quiet getting ready exchanges to the joy on the dancefloor, every part of their story came through effortlessly.

"We used James at our wedding this year and he was incredible. He fit in so well with all the guests and made everyone feel comfortable when taking photos! Thank you so much for joining our special day James!"

About Me

I'm James and I'm from Leicestershire but currently live in Warwickshire with my wonderful wife Millie, two children Teddy & Martha, my dog Dougie & two guinea pigs, Muffin & Pickles.

I have been photographing weddings since I was 13 years old. I'm a storyteller at heart. Whether it's a quiet moment between two people or the chaos of a packed dancefloor, I love finding the little pieces of a day that might otherwise go unnoticed.

My approach is laid back, unobtrusive, and focused on honesty. I want you to feel like you can fully enjoy your wedding without worrying about the camera. When you look back at your photos, I want you to feel the atmosphere, the emotion, and the connection all over again.

Away from weddings, you'll usually find me enjoying time with my family, coaching Teddy's football team or watching any sport on the TV.
